Title of the full paper: Review on Green Infrastructure Approach in Urban Flood Management and Its Possible Application in Binh Duong Province

Dear Ms./ Mr. Tran Nguyen Thien An,

Thank you for submitting your full paper for the 15th International Asian Urbanization Conference (AUC) held during 27-30 November, 2019 in Binh Duong City, Vietnam.

We are pleased to inform you that after rigorous peer-review process, your paper is accepted to publish in an edited SPRINGER'S BOOK volume which will be released in 2021.

The process of book editing and reviewing may take quite long time and require the cooperation between the Editorial Board and the authors. Thus, we need your acceptance to have paper in this Book volume and commit to work with us until that time.

The Local Organizing Committee expect to receive your feedback by **23 February 2020**. The papers which miss this deadline will be considered as refusing the offer of publication.

After receiving your information, we will send you the consent form for further process.

Please do not hesitate to contact us at auc2019@vgu.edu.vn if you have any questions regarding to this notification.

We look forward to hearing from you.

Sincerely yours,

AUC 2019 Local Organizing Committee

Chairman

(Signed)
